

Oakland (WBA) Region

The Oakland (WBA) hosted a lunch and learn on January 21st featuring a panel discussion on the latest E-Discovery opportunities and pitfalls. Speakers included Carol Romej of Butzel Long and Stott Matthews of Spectrum Computer Forensics. The event was open male and female attorneys and other professionals. It was attended by over 35 attorneys, students and e-discovery professionals.

The Oakland (WBA) Region also held its annual Holiday Party and Charity Event on December 8, 2009 at Tom's Oyster Bar in Royal Oak. The event was attended by close to 100 people and everyone had a wonderful time mingling and networking. The Event also raised awareness for Breast Cancer and through a silent auction and donation the WBA was proud to donate \$1,000 to THE PINK FUND.
